WORD SEARCH

Pastors are called by God to teach the Bible. They have a desire to serve the church and share about Jesus in your city. Ministry is a great blessing! It is important to remember that pastors are people just like you. Sometimes people need help to stay healthy. You can support your pastor and his family by praying for them and encouraging them. Can you find all the words that help a pastor stay healthy as he cares for the church?

Conversation Starter: How can we pray for and encourage our pastor?

Additional Activity: Create a card for your pastor.
